

*“You may need something quick that’s reliably affordable and good. That’s why we combed over the results of a year’s worth of panel tastings, and singled out our Value Brands of the Year: the best overall performances for wine priced \$15 or less...names to remember when you’re looking for good, affordable wine...”*

## **Robertson Winery**

**What:** Well-grown whites from mineral rich soils

**Where:** Just inland and over the hills from Capetown

**When:** Serve the ripe, round Sauvignon Blanc with crab and its flinty acidity will add to the rich flavors of shellfish. The Chardonnay feels bigger, with a chalky minerality
