The 42km route is a rewarding route for fit riders, as this route includes challenging and technical climbs and descents. Only experienced riders should attempt the long route (see 42km race profile on reverse). The 29km route, on the other hand, is a pleasant meander through vineyards and over mild hills and is not as technical as the 42km route. Expect a combination of jeep and single track sections on both. The 12km short route consists only of jeep tracks and is suitable for children and novices.

**NOTES:** This funride forms part of the Wacky Wine Weekend Festival in Robertson. Each participant older than 18 will receive a bottle of Robertson wine or grape juice. Participants younger than 18 will receive a bottle of Robertson grape juice. All children u/10 must be accompanied by an adult.
